

**Remarks**

This application has been allowed pursuant to a Notice of Allowance dated 3/27/06. Applicant requests entry of this Amendment after Allowance in order to correct a minor error that arose as a result of the Preliminary Amendment dated January 14, 2000 in this application.

A review of that Preliminary Amendment indicates that the word "windows" should not have been deleted from page 18, line 8. As such, Applicant requests entry of this Amendment after Allowance in order to add that word back into the specification, and to correct this minor error.

This Amendment after Allowance is being filing concurrently with the payment of the issue fee. Issuance of this patent is requested.

Respectfully submitted,
